

ANNOUNCEMENT AND CALL FOR PAPERS

13th Annual Conference on Liquid Atomization and Spray Systems-Asia

October 15-17, 2009
Wuxi, P.R.China

Chair

Professor Wanhua Su
Tianjin University

Organizing Committee

Chair

Professor Zhen Huang
Shanghai Jiao Tong University

Vice Chair

Professor Jianming Zhu
Wuxi Fuel Injection Equipment
Research Institute

Secretary General

Professor Xinqi Qiao
Shanghai Jiao Tong University

Venue

The conference will be held in Wuxi city, which is situated in the middle of the Shanghai-Nanjing Railway. It is 128 km away from Shanghai and 183 km away from Nanjing. It is a famous cultural city with a history of over 3,000 years. Wuxi, with the Taihu lake in the south and the Yangtze river in the north, is a well-known "Land of Fish and Rice". Its famous tourist attractions include Folklore Tourism Zone along Grand Canal, Taihu Lakeside Tourist and Holiday Resort Zone, Wu Cultural Custom Tourism Zone.

Registration Fee

General US\$ 200
Student US\$ 150

The registration fee includes a volume of proceedings, a banquet, working lunches and suppers, half day sightseeing.

For More Information

More detailed information will be available on the conference website in the end of May.

Call for Papers

ILASS-Asia, as a part of the International Institute for Liquid Atomization and Spray System (ILASS-International), was established for the mutual exchange of scientific and technical ideas in all field related to atomization and spray at Asia area.

The committee of ILASS-Asia requests the submission of papers for the 13th Annual Conference of ILASS-Asia. Preference will be given to papers reporting recent and novel work. Topics covered in the conference:

1. Fluid mechanics of disintegration of liquids and formation of sprays.
2. Modeling of spray and flow phenomena inside and outside of atomizers.
3. Design, operation and performance of liquid atomizers and spray systems.
4. Transfer processes in which liquid sprays are used, such as spray combustion, spray reactors, spray dryers, humidifiers, spray coatings, spray cooling, aerosol dispensers, atomization of metals and spray forming.
5. Instrumentation related to sprays for the measurement of droplet size, droplet velocity, droplet concentration, patternation, film thickness, vapor concentration etc.

Important Dates

July 20, 2009

Deadline of abstract submission. The abstract should be within 500 words with author name(s), corresponding address, telephone and E-mail. The abstract should be submitted via E-mail

July 31, 2009

Notification of abstract acceptance.

August 31, 2009

Deadline for the full paper

September 10, 2009

Notification of paper acceptance

September 25, 2009

Deadline for submission of camera-ready manuscript in electronic form..

Paper Submission

Please submit your papers to:

Prof. Xinqi Qiao, Dr. Jin Xiao
Center for Combustion and Environmental Technology
Shanghai Jiaotong University
800 Dongchuan Road, Shanghai 200240, P. R. China
Tel: 86-21-34206381, 34206858 Fax: 86-21-34205949
E-mail: qiaoxinqi@sjtu.edu.cn, xiaojin@sjtu.edu.cn

Exhibition

Manufacturers of spray equipment, instrumentation or CFD software are invited to exhibit and demonstrate their products in exhibit area close to the lecture rooms.

Please contact: Dr. Junhua Fang

E-mail: fjunhua@sjtu.edu.cn, Tel: 86-21-34206858
